- 

## IN THE FIGHT AGAINST BREAST CANCER ...EVERY STEP COUNTS

Join us – celebrate cancer research progress and survivorship – and pay tribute to those who have battled cancer.

Your support is always important to us, and this year Bermuda Cancer and Health Centre has made a commitment to improving the quality of life for recently diagnosed cancer patients, survivors and their families. Funds raised from this year's event will go towards establishing high quality Cancer Support Information Services for the newly diagnosed, people living with cancer, survivors and their families in their search for reliable information as a meaningful tool for coping with cancer.

Whether this is your first time, or you are a repeat walker, we are honored that you have chosen to support the Bermuda Cancer & Health Centre, and to join us, **WEDNESDAY OCTOBER 7<sup>th</sup>**, as we walk for health, hope and life.
