Bermuda Cancer and Health Centre is a registered Charity #070, and an International Charitable Fund 501c (3) designated organization.

Centre's mission: To be a Centre of Excellence offering comprehensive Breast Specialist services and providing early detection, support and education for cancer and other diseases.

3. Do you have a family history of cancer? Please give details.

4. Please tell us your story in your own words, including what you have been through and why you would like to share your story. Feel free to use additional space as needed.

5. I am happy for Bermuda Cancer and Health Centre to share my story with the public.

YES

NO

6. I am happy for Bermuda Cancer and Health Centre to use any images I supply in Bermuda Cancer and Health Centre marketing and publicity.

YES

NO

If yes, please send an image of yourself to [info@chc.bm](mailto:info@chc.bm) . If you're getting in touch about a friend or relative's experience of cancer, please seek their permission if possible and send us photos of the two of you if you can.

**Thank You** for completing this form and sharing your experience with Bermuda Cancer and Health Centre. Please return the form by email [dnarraway@chc.bm](mailto:dnarraway@chc.bm), or fax 238-0880 or mail: Deborah Titterton Narraway, Bermuda Cancer and Health Centre, P.O. Box 1562, Hamilton HM FX.

We will be in touch by phone within the next four weeks to introduce ourselves and talk through the ways you may be able to support our work.

In the meantime we have a wealth of information about cancer and our work on our Bermuda Cancer and Health Centre website [www.chc.bm](http://www.chc.bm).

We also have a Cancer Information Service where specially trained staff can answer your questions about cancer and services available in Bermuda and abroad. Call 232-2247 (FREE and confidential, Open between 10am and 6pm, Monday to Friday).
