## WHY WE FUNDRAISE

1 in 8 women will be diagnosed with breast cancer in their lifetime!

We need your help to reach our goal of raising \$200,000 to support our equal access fund ensuring all women and men have access to mammograms, ultrasounds and breast biopsies in an effort to detect cancer early when it is most treatable and radiation therapy cancer treatment - regardless of one's level of health insurance. The funds also provide FREE breast health education through our "Know Your Lemons" educational programme.
