

As you plan inspirational and impactful Relay For Life events in your countries, the list of resources below can offer additional support and updates on the latest and greatest trends worldwide.

Global Facebook Page

<https://www.facebook.com/GlobalRelayForLife/>

- An informative, consistently updated tool to network and share best practices and with other Global Relayers
- You will find photos and videos of what's happening in the Global Relay world

RFL Event Leadership Team Support

<https://www.facebook.com/RFLELTsupport/>

- A network for Relay For Life Committee Members to come together for training and development
- You will find resources, short training videos, and inspirational stories

Relay Connect

www.relayforlife.org/globalconnect

- Relay Connect is an online community for Relayers worldwide to share resources and best practices
- You will find resources uploaded from Relayers worldwide, group discussions on topics you care about, and more
- Anyone can make an account on Relay Connect
 - Note: If you have a Society Account (the ACS online registration login), use that log-in to sign in

*Never doubt that a group of small committed citizens can change the world.
Indeed, it's the only thing that ever has.
-Margaret Mead*
